Interests Quiz

This quiz will ask you about your general interests. There are a variety of jobs all over the world that are suited for all types of people. Sometimes it can be difficult to decide what type of job you should look for and apply for. Everybody has certain hobbies and activities that they like to do regularly. To help you choose the type of the job you may be interested in, you can take the Interests Quiz.

Directions:

1) Read each question carefully, and click on the answer that best suits you.
